PROFIL

Cultural Science graduate from Universitas Padjadjaran, actively involved in organizations with a strong entrepreneurial spirit. I have comprehensive experience in Event Organizing, Digital Marketing, and managing small business operations.

My core competencies include Copywriting, Social Media Management, and Operational Administration. I am acknowledged as an initiator capable of leading teams, developing event strategies, and adapting quickly to various roles from planning to on-site execution. I am ready to contribute to company growth through a solid and creative work ethic.
